STOCKSHOW RINGSIDE ADVERTISING

The Potter County Jr. Livestock Association is a dynamic group of youth exhibitors and volunteers who annually host the Potter County Jr. Livestock Show for Potter County 4-H and Bushland, Highland Park, Tascosa, River Road, Wildorado and Caprock FFA Chapters. This event provides opportunities for the youth to exhibit their livestock projects and expand their professional development. It takes roughly \$200,000 to ensure that all awards are purchased and sale-qualifying exhibitors receive valuable funds for the continuation of the 4-H and FFA livestock project for those exhibitors. We would like to request your sponsorship of our Potter County Jr. Livestock Show. In return, the event will provide the opportunity to showcase your product/service and create recognition for your business.

Thank you for considering sponsoring the Potter County Jr. Livestock Show. If you have any questions regarding sponsorship opportunities, please contact 806-373-0713
